

INSTALLATION INSTRUCTIONS FOR THE DABSO CEILING FRAME

1

Drill the fixing locations into your ceiling.

2

Then insert the dowels provided. Screw the mounting brackets to the ceiling.

3

Screw the cables to the ceiling brackets.

4

Screw the 4 adjustable bases to the frames at the corners.

5

Insert each cable into the 4 adjustable bases.

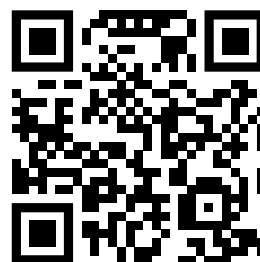

6

Pinch each base to adjust the length of the cables for your desired ceiling height.

7

Your frame is now installed!

INSTRUCTIONS FOR CHANGING A DABSO FABRIC

1

Insert the rod into the hole at the back of the frame.

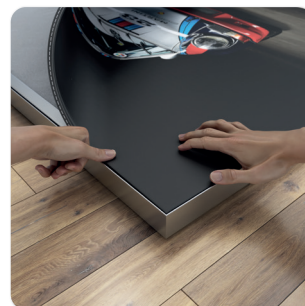

2

Use this tool to “pop” the silicone ring out of the frame.

3

Remove the canvas from the frame by gently pulling on it from an angle.

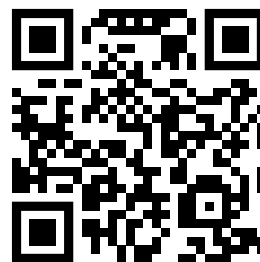

4

Thread the new fabric by pushing the silicone ring into the frame groove, starting at the four corners.

5

Your canvas is now installed!
